## CERATHERMIC STRAIGHTENING SERVICE

X-TENSO Cera Thermic is the ultimate way to achieve perfect straight hair without the need to style it every morning.

The service involves the straightening of very fine sections of hair with irons.

The heat of the irons activates the Ceramide in X-TENSO Cera Thermic which strengthens the process giving you soft, silky, perfectly straight hair.

The results will last up to six months after which you will need a regrowth application to maintain the optimal Cera Thermic result.
